

Identifying a Task: Technopreneurship Group Planning

Planning a successful one-day beach outing demonstrates teamwork and project skills.

What is Our Task?

Teamwork Application

Enhance collaboration and
coordination skills

Technopreneurship Focus

Apply project management in a practical setting

Planning Experience

Organize logistics for a
beach outing

BEACH OUTING

Task Breakdown: Key Responsibilities

Listing Participants	Know number for planning
Creating Budget	Estimate costs: food, transport
Choosing Venue	Select nearest, best beach
Making Itinerary	Plan departure, meals, games
Assigning Roles	Divide tasks fairly
Preparing Menu	Decide food and drinks
Planning Games	Choose fun bonding activities
Transportation Plan	Organize rides
Emergency Kit	Prepare safety checklist
Checking Weather	Ensure comfort and safety

Our Strategy in Assigning Tasks

Based on Skills

Assign budgeting, organizing, etc.

Consider Interests

Let members choose preferred tasks

Equal Workload

Balance tasks fairly among members

Was Our Strategy Effective?

Enjoyed Their Roles

Faster Planning
